How It Works

- The City Saver coupon book is sold through local schools, school groups, and non-profit organizations as a fundraiser.
- Participation is FREE – you provide three great offers and our design team will do the rest.

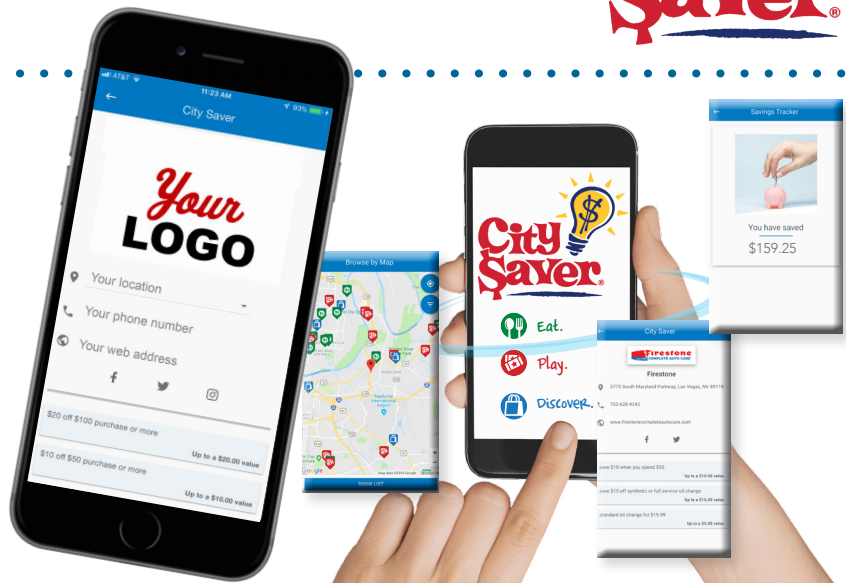

Why It Works

- Your ad will consistently drive new customers through your door – many who visit a business because they have a City Saver coupon.
- By participating, you are helping local schools raise funds which increases your community goodwill. Research shows that more than 90% of parents will support a business that supports their child's school.
- Including your business on our City Saver mobile app will place your brand on hundreds of mobile devices in your area.

Free Mobile App

- One-time-use coupons that customers can redeem on their mobile device.
- Links customers to your website and social media channels.
- Geo-locate function brings customers right to your door.
