

Interested In FREE Mobile Advertising?

Advertise your business.
Bring in new customers.
Help local schools raise money.

AT NO COST TO YOU!

How It Works

- City Saver Mobile is sold through local schools and non-profits as a fundraiser.
- Participation is FREE - you provide at least one strong offer and our team will do the rest.
- You can add a coupon code to track redemptions.

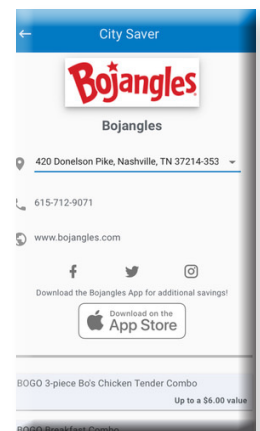

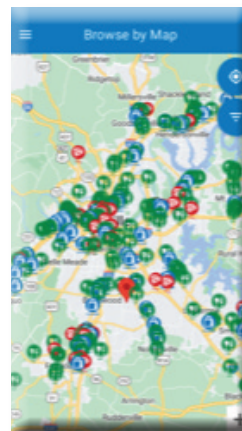

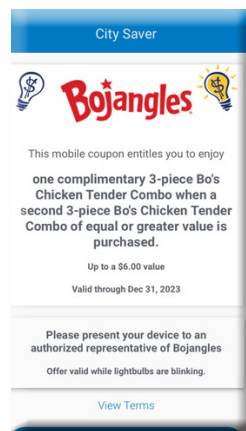

Why It Works

- Your mobile app ad will consistently drive new customers through your door.
- By participating, you are helping local schools raise funds, which increases your community goodwill. Research shows that more than 90% of parents will support a business that supports their child's school.
- Including your business on the City Saver mobile app will place your brand on thousands of mobile devices in your area.

City Saver Mobile

- One-time-use coupons that customers redeem on their mobile device.
- Geo-locate function brings customers right to your door.
- Links customers to your website and social media channels.
